Explanation of increases or decreases in revenue estimates, appropriations, or available cash:

Revenues were down due to ceasing of activities due to COVID-19 and due to projects not being completed as quickly as expected so grants and loans weren't drawn down. Expenditures were down partially due to COVID-19, because projects didn't progress as quickly as anticipated, and Business Type/Enterprise spending was down and originally overestimated.

There will be no increase in tax levies to be paid in the current fiscal year named above. Any increase in expenditures set out above will be met from the increased non-property tax revenues and cash balances not budgeted or considered in this current budget. This will provide for a balanced budget.

City Clerk/Finance Officer

Ann,

Below is what Melissa Doll had sent me regarding their planned concert at Central Park. The largest one they had was in Brooklyn on May 31 that 50 people attended. Also attached is there special event form from our office. Let me know if you need anything else. Thanks!

Hi, Jordan. I have attached a letter, but sometimes my computer does not talk nicely to others (!?), so I also embedded the letter in this email. The HBMI logo is missing on the embedded letter. Sorry for my cranky computer!! Hopefully this provides what you need. If not, let me know. Mark says to say hello!

To Whom it May Concern,

Honeybee Ministries Iowa looks forward to the July 24-26 Grinnell stop on our Destiny Deeper Tour 2020. We have contracted with Grinnell Parks and Recreation for use of the Central Park Shelter facility this weekend.

Friday night we sing classic rock and country songs from 7-9 pm. Saturday night we sing faith-based country and Christian music, again from 7-9 pm. Sunday morning we lead a worship service from 10 am till noon.

This is the second year for our Destiny Deeper Tour. Typically we attract crowds of fifty or under. We advertise for folks to bring their own lawn chairs. There is plenty of room in the Central Park setting for folks to spread out. We do not implement any specific social distancing guidelines, as none have been needed due to the outdoor settings and small nature of our gatherings.

Thank you for the opportunity to minister in Grinnell.

Blessings,

Melissa Doll

Good morning, Ann. Could you please add a college agenda item to the upcoming City Public Safety Committee and Council meetings on June 15<sup>th</sup>?

- Extension/change of shutdown period for Park St. from 6<sup>th</sup> to 8<sup>th</sup> Ave.

I've been working with Jan (cc'd) and Greg w/V&K on a plan to have the college administer re-paving the roadway (minus curb & gutter) in concrete, in conjunction with the installation of the granite paver crosswalks (original shutdown scope). The expanded scope of work will require a shutdown period of approx. 7-8 weeks.

Thanks much! Rick

Ann,

Per our earlier phone call, McGough needs the 8<sup>th</sup> Avenue closure extend to June 22<sup>nd</sup>. We planed for some rain, just not the complete deluge over the past week and a half.

Any questions please call me cell at 515-422-4413.

Sincerely,

*RE: Grinnell Vintage Auto Club's 47<sup>th</sup> Annual Car & Hotrod Show & Shine*

Members of the council,

We come to you today to ask approval on road closures for our 2020 car show. This year's show is scheduled for August 16<sup>th</sup>, a Sunday. We have found that Sundays offer the least amount of conflict with other local events. It also allows more families to come enjoy the show together as the kids are not busy with their extracurricular activities.

The proposal below is the same request that was approved for 2019 which had an amazing turn out (despite the rain) and went over very well! The red bars on the attached map represent where the barricades shall be located. As you can see, we plan to use Commercial (to the alley, Broad St, 3<sup>rd</sup> St, and Park as we have in the past. 4<sup>th</sup> Avenue shall remain open for traffic flow.

Our Treasurer, Bud Cox, has already spoken to the Police Department and Chief Reilly referred us to Officer Zach Sitig to discuss any concerns they may have. Officer Sitig agreed that leaving 4<sup>th</sup> Ave open would be good but expressed no other concerns.

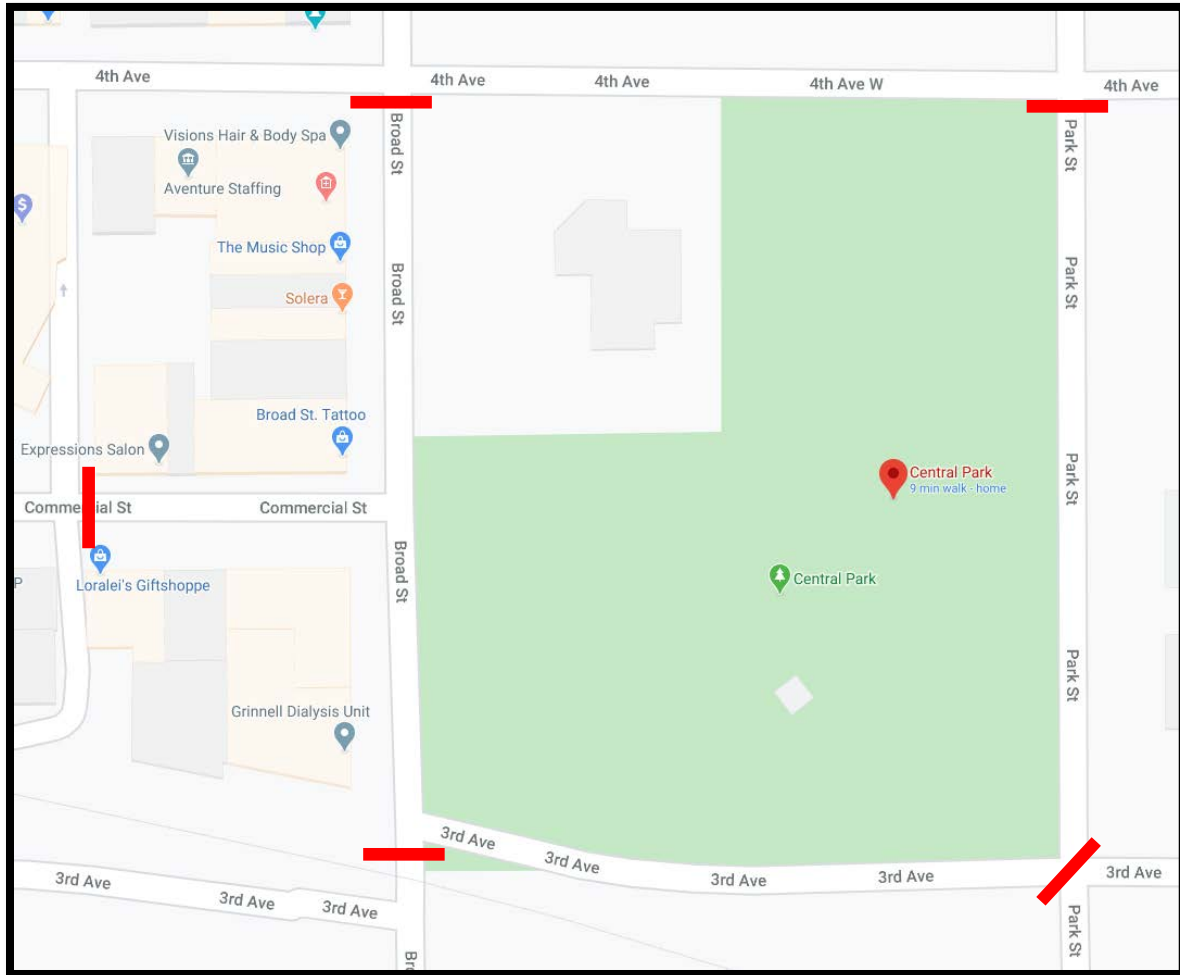

With the ongoing concern created by Covid-19, we as a club do want to take what precautions we can to protect ourselves and our guests. This year we plan to have multiple hand sanitizer stations and have encouraged our food vendors to have some available as well. While we do not plan to require masks, the use of masks will be encouraged the day of and prior through our website and social media outlets. If possible, to get ahold of small individual bottles of hand sanitizer, we'd like to add them to our goodie bags too. In addition, we will increase the space between parked cars so there is more room for spectators and participants to move about.

Thank you for your consideration,
